

Request for decision: **D33-2016**

Subject matter: Digital Transformation Programme mandate and supplementary resource

Executive summary:

The purpose of the Digital Transformation Programme – Programme Mandate is to propose the programme strategy, approach for delivering the strategy, structures, governance, resource requirements and costs for developing the Digital Transformation Programme blue print and programme brief. These products are the next step in delivering any programme of work and provide the foundation information and understanding of the business need prior to developing business cases for specific prioritised capabilities. The mandate has been developed in recognition of the context provided through identification of strategic drivers, local risks and requirements and the implications for Gloucestershire Constabulary.

Recommendations (with reasons for that recommendation)

It is recommended that the Programme Mandate is approved for sign off.

Police and Crime Commissioner

The above request has my approval, noting that the programme costs of £634k will come from ICT Reserves.
