

**Request for decision:** **D10-2017**

**Subject matter: Mounted section update**

**Executive summary:**

In light of internal feedback, the mounted section business case is to be rewritten. The Deputy Chief Constable proposed that the trial continues with recommendations considered by Governance Board in 6 months' time. Extending the trial will allow time to gather further information about the trial, which is to focus on the night time economy and community. All staff involved will be kept informed.

**Recommendations (with reasons for that recommendation)**

That:

- the PCC agree to this approach as long as the trial remains effective.
- a message will be circulated, which the DCC will supplement.
- the PCC approved the purchase of the horse box, the cost of which is currently being negotiated. The preference is to use POCA funds for this.

**Police and Crime Commissioner**

The above requests have my approval.
