

Request for decision:

D15-2017

Subject matter: Temporary course provider for Speed Awareness courses

Executive summary:

Gloucestershire County Council will not take bookings for NDORS speed awareness courses from the end of May. A temporary solution is required to provide courses in Gloucestershire from 1st June 2017. A letter has been sent to NDORS asking them to contact all their current full licence holders and ask for expressions of interest to provide courses for six months (extendable to nine months). This approach has been discussed and agreed with SWPPD.
