

GLOUCESTERSHIRE COMMUNITY SAFETY STRATEGY: 2019 – 2022

Gloucestershire remains one of the safest places in the country to live and work, but that doesn't mean we should be complacent as crime across the country is on the rise and Gloucestershire is no exception.

That's why tackling crime, fear of crime, vulnerability and anti-social behaviour are key priorities for Safer Gloucestershire and the county's Community Safety Partnerships (CSPs) over the next few years.

In April 2018 Safer Gloucestershire undertook a Strategic Needs Assessment (SNA) which provides a solid evidential basis for planning and delivery of community safety activity at County, District, thematic and cohort levels. This identified six priority areas:

Locality based crime

Social isolation

Domestic abuse/
sexual violence

Safeguarding children

Substance/alcohol
misuse

Violence, Vulnerability
and Exploitation

Each of these priorities is set out in an action plan which will be subject to regular review and refresh over the life of this strategy. We will also take a phased approach to the key priorities informed by our Needs Assessment and performance data.
